## WRESTLING

Wrestling is a new sport at B.H.S. introduced by Mr. Linton. It is valuable because boys of all sizes and ages have an opportunity to compete in a sport. Each contestant wrestles an opponent of equal weight. With the weight lifting and exercises, it is a good body building activity.

The boys made a great improvement during their first season. The team won second place at Naperville Invitational Tournament.

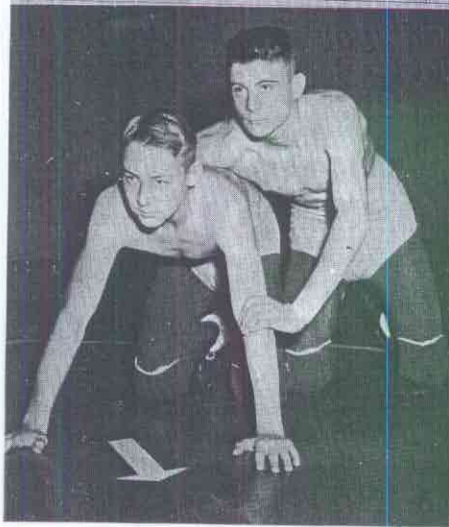

With this year's experience, we expect to make a much better record next year.

## WRESTLING

Working hard in the gym aboard ship was the wrestling team. Wrestling is a comparatively new sport for our boys as it was begun only last year under the direction of Mr. Linton. However, the boys have done a fine job in the meets. Five of them, Denny King, Don Schouw, Vic Benson, Eddie Dahl, and Denny Piron entered the sectional Tournament, after qualifying in the District Tournament.

Congratulations to the wrestling team; we'll be looking forward to greater things in the future.
